***[www.corporateshootingstars.com.au](http://www.corporateshootingstars.com.au)***

Thank you for your recent enquiry in regards to our Corporate Shooting Stars Buck's Party.

Corporate Shooting Stars Buck's events are the perfect opportunity to catch up with your mates and participate in a unique, fun filled activity hosted by Commonwealth Gold Medallist, Lauryn Mark and/or other experienced shooter's/coaches. We offer a wide range of options to suit your needs and to make this day unforgettable. And remember, **the buck always shoots for free!**

All you need to know about Corporate Shooting Stars Buck's Party is summarised in this document.

## ***What Does a Clay Target Shooting Day Involve?***

Our Clay Target Shooting Day normally involves:

- Learning the basics of shotgun shooting. Lauryn and/or the other coaches will instruct the participants with safety rules and Clay Target Shooting basics. Once this first phase ends, the group moves to the shooting field.
- Warm up: each individual shoots a number of easy targets to build their confidence and get familiar with Clay Target Shooting.
- Participating in a fun competition where each individual is scored and a personalised score card is provided. Awards will also be presented to the best shooters and/or teams of the day as well as a special prize for the Buck to remember the day.
- All licenses and public liability insurance are included.
- First class equipment is provided: firearms, ammunition and all other equipment supplied.

## ***Safety, A Very Important Matter***

To guarantee the safest environment, Corporate Shooting Stars conducts its events within the confines of un-intrusive safety cages. Due to the design of the cage, it is impossible to point the gun towards any other person. Lauryn and the other coaches will load all guns and are the authorised representatives with access to the ammunition.
